

ABOVE & BEYOND

NEW DISCOVERY SPORT  
THE FLEXIBLE BUSINESS MODEL.

## CLASS-LEADING VERSATILITY THAT MAKES BUSINESS A PLEASURE.

Things move fast in business. To stay competitive you have to be able to adapt. Which makes the New Discovery Sport the perfect choice for any fleet. Offering an unrivalled blend of style, capability and innovation, this compact premium SUV has been developed to be the most versatile vehicle within its category.

Its sleek, aerodynamic design marks the future direction for a new family of vehicles that will carry the Discovery nameplate. A flexible 5+2 Slide and Recline seating option, combined with the all-terrain ability expected of a Land Rover also means the New Discovery Sport is a vehicle perfectly suited for business and pleasure.

Later in 2015, the highly efficient eD4 turbodiesel engine debuts together with two wheel drive, with CO<sub>2</sub> emissions of just 119g/km\* and enhanced fuel economy with prices starting from under £30,000.

\*Subject to homologation.  
All data is produced and updated on a monthly basis from KeeResources’ KWIKcarcost, an independent industry data provider. Figures correct as at August 2014. Whole life costs are based on 36 months, 20,000 miles per annum and include depreciation, service, maintenance, repair, fuel, insurance, finance (4.5%), employer’s NI costs and Vehicle Excise Duty. Fuel based on 134.46pppl for diesel. Insurance figures use ABI Groupings and are based on average cost per group. P11d values, BIK and monthly tax liability examples are based on standard model specification (excluding factory fitted optional extras and other accessories). These figures should be used as a guide only. Jaguar Land Rover Limited does not provide tax advice and can accept no liability whatsoever for the information provided by this guide. Please seek your own independent financial advice for more information. \*On the road prices are based on manufacturer’s recommended retail price and include VAT, 12 month’s Vehicle Excise Duty, first registration fee, delivery to the Land Rover dealer premises and an estimated price for number plates. All details correct at the time of going to print. Manual Fuel Cycle: Urban: 40.4 (7.0)Extra Urban: 50.4 (5.6) Combined: 46.3 (6.1) Auto Fuel Cycle: Urban: 38.2 (7.4) Extra Urban: 49.6 (5.7) Combined: 44.8 (6.3). Fuel economy and CO<sub>2</sub> emission figures provided are as a result of official manufacturer’s tests in accordance with EU legislation. A vehicle’s actual fuel consumption may differ from that achieved in such tests.

# PRICES & SPECIFICATIONS

At launch the New Discovery Sport will be offered with a single powertrain option and four trim levels:

- SD4 190 6 Speed Manual or 9 Speed Auto
- SE, SE Tech, HSE, HSE Lux

Standard specification includes the following key features:

## SE

# KEY FEATURES

## Autonomous Emergency Braking

Autonomous Emergency Braking helps further enhance the active safety aspects of the New Discovery Sport. Using a forward-facing digital camera, the system detects objects and automatically reduces impact speed if it calculates that a collision is likely. The driver is alerted of the risk by a visual and audible warning signal.

## Pedestrian Protection System

The New Discovery Sport features a state-of-the-art pedestrian airbag system. Designed and tested to the most rigorous standards including advanced virtual and real-world situations, it protects pedestrians from impact with the base of the windscreen by using an airbag mounted within a cover found at the trailing edge of the bonnet panel.

## Adaptive Xenon Headlamps

With their signature design, these optional distinctive LED lights combine distinctive looks with real capability. Adaptive Xenon lights swivel to follow the road while static bending lamps follow the kerb to give the driver greater confidence at night.

## Panoramic Roof

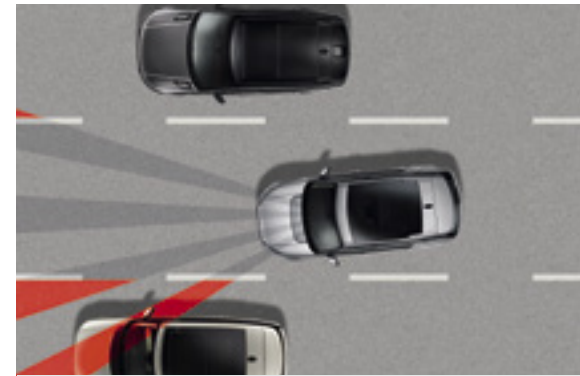

The optional full glass fixed panoramic roof enhances the sense of space in the vehicle's interior and floods it with natural light. To maintain a comfortable interior temperature and to provide a sense of privacy, the toughened glass has a dark tint to offer a high degree of solar protection. When additional shade or privacy is required, an electric fabric sun blind can be extended across the full surface of the glass roof.

## Eco Mode

An optional driver-selected feature which prioritises the most efficient vehicle settings including auto transmission\*, and comfort features like heating and air conditioning in order to minimise fuel consumption and CO<sub>2</sub> emissions.

## Climate Front Seats

For the ultimate comfort whatever the temperature, climate front seats are available. This option provides both heated and cooled ventilation through perforations in the leather seats. Driver and passenger preferences can be independently controlled via the touch-screen.

**AUTONOMOUS  
EMERGENCY BRAKING**

**PANORAMIC ROOF**

**PEDESTRIAN  
PROTECTION SYSTEM**

**ECO MODE**

**ADAPTIVE XENON  
HEADLAMPS**

**CLIMATE FRONT SEATS**

# KEY FEATURES

## Parallel Park, Parking Exit and Perpendicular Parking

Optional Parallel Park identifies suitable parking spaces and automatically steers into the space whilst you operate the pedals. Parking Exit provides the same assistance to manoeuvre out of the space. Perpendicular Park is an optional addition to the system. Truly useful in car parks and tight spaces, it automatically assesses whether the chosen space is wide enough before steering the vehicle centrally into place as the driver operates the pedals.

## Powered Tailgate

This optional feature allows the tailgate to be opened using the key fob, a switch on the fascia or operated independently using a button on the tailgate itself.

A button located inside the tailgate allows the tailgate to be closed automatically.

## InControl™ Remote and Secure for Warranty Period

Land Rover InControl™ Remote and Secure for warranty period are optional features which use in-vehicle mobile technology to safely and securely connect your world, your Land Rover and your services. Use the smartphone app to check the status of your vehicle wherever you are and have the reassurance of emergency help if required from SOS Emergency Call and Optimised Land Rover Assistance. If your vehicle is stolen, InControl™ Secure enables it to be tracked aiding recovery.

## USB Charging Points

Want to charge a games console, tablet or smartphone whilst you're on the move? The New Discovery Sport has the option of up to seven USB ports for all occupants to make charging your device effortlessly simple.

PARALLEL PARK,  
PARKING EXIT AND  
PERPENDICULAR PARKING
